

To comply with Alberta Energy regulations and be eligible to acquire energy customers in Alberta, all IBOs acquiring Energy customers in Alberta must:

1. Review and Complete
2. Successfully complete Accreditation Questionnaire
3. Affirm statements within Code of Conduct
4. Create a XOOM Energy Canada badge. The badge must be worn on the outermost clothing, and must be shown at every meeting with a potential customer.

To review training, complete the accreditation questionnaire or print your badge, please visit <https://acn.xoomenergyhub.ca/en/accreditation>.

Please see the [Electric and Gas Utilities Code of Conduct regulations](#) for or a complete overview of regulations for referring energy customers in Alberta, Canada.
